Memo

To: Mayor and Council
From: Mathew Bahm, Director of Recreation
Date: March 21, 2023
Subject: NISKA Park Frogs Breath Application
Attachments: Letter from the NISKA Leadership Centre

Mayor and Council:

The City has received a request from the NISKA Leadership Centre to sponsor a request for funding to the Frog's Breath Foundation. Their funding request would be to help with costs associated with development of Niska Park on the Haileybury Waterfront. The City is already a partner on this project with the NIKSA Leadership Centre.

If successful, NISKA would receive \$25,000 to put towards outdoor park equipment.

The Frog's Breath Foundation requires that applicants who are not a registered charity partner with a community agency who can accept charitable donations and provide tax receipts.

The City has sponsored applications to the Frogs Breath Foundation multiple times in the past and have had no issues with organizations fulfilling their reporting requirements under the City's Charitable Sponsorship Policy, By-law 2018-039.

It is recommended that the City agree to sponsor this application to the Frog's Breath Foundation in support of the NISKA Leadership Centre.

Le Centre de Leadership NISKA Leadership Centre (NISKA) is applying to the Frog's Breath Foundation's March 31, 2023 deadline for funding in the amount of \$25,000 to purchase playground equipment, outdoor musical instruments, and accessible outdoor fitness equipment for Parc NISKA Park.

Although we are incorporated as a not-for-profit organisation, NISKA is not a registered charitable organization. As such, the Frog's Breath Foundation requests that we obtain sponsorship from an organisation or Municipality to receive funds.

Therefore, on behalf of NISKA, it is respectfully requested that the City of Temiskaming Shores act as sponsor for our application to the Frog's Breath Foundation.

Sincerely,
