Subject: JULY 12 COUNCIL MEETING ANIMAL CONTROL TENDER

Hello Chris and Council,

After being refused entry to last evening's council meeting regarding the animal control tender due to " capacity limits " , I, as well as many other TAXPAYERS were extremely displeased to be left waiting outside and having to listen and view these proceedings through plate glass windows in extreme heat conditions. This was a complete embarrassment and failure on the city's part to properly accommodate all those in attendance.

Having to listen to hearings through place glass is simply **NOT** acceptable and therefore we all demand that the July12th council meeting be relocated to the Riverside Pavillon in order to allow any and all who wish to participate, listen , speak and be involved in this very important matter be properly accommodated.

We will NOT accept any " excuses " such as unavailability for that date, cameras , sound, etc etc... There is precedent where meetings have been held at this venue and as our tax dollars pay for our IT department's expertise to handle video and sound then we taxpayers expect this should not present any challenges.

We will continue to push for and expect this next meeting to be held where **EVERYONE** regardless of opinion on this matter will be respected, accommodated and allowed to participate.

Respectfully,

Andy Ringuette
