1. Authority

On March 1, 2022, the Council of the City of Temiskaming Shores adopted By-law No. 2022-041, authorizing the use of a hybrid system using vote tabulators for the 2022 Municipal Election and the use of internet and telephone voting for the 2022 Municipal & School Board Elections.

The Municipal Elections Act, more specifically Subsection 42(3), states as follows:

Procedures and forms

- (3) The Clerk shall,
- (a) establish procedures and forms for the use of,
 - (i) any voting and vote-counting equipment authorized by by-law, and
 - (ii) any alternative voting method authorized by by-law; and
 - (b) provide a copy of the procedures and forms to each Candidate when his or her nomination is filed. 2009, c. 33, Sched. 21, s. 8 (22); 2016, c. 15, s. 31 (3).

Subsection 42(4), states that the Clerk shall provide the procedures and forms on or before June 1 in the year of the election.

Subsection 42(4), states that the procedures and forms established by the Clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

In addition, the Council of The Corporation of the City of Temiskaming Shores adopted By-law Number No. 2022-042 on March 1, 2022, being a by-law to enter into an agreement with Intelivote Systems Inc. (herein referred to as the eVoting Service Provider) for internet and telephone voting services (eVoting) for the 2022 Municipal and School Board Elections.

Subsection 11(2) of the Municipal Elections Act states that the Clerk of a local municipality has responsibility for conducting elections within that municipality and responsibility for,

- a) preparing for the election;
- b) preparing for and conducting a recount in the election;
- c) maintaining peace and order in connection with the election; and
- d) in a regular election, preparing and submitting the report described in subsection 12.1 (2). 1996, c. 32, Sched., s. 11 (2); 2009, c. 33, Sched. 21, s. 8 (7).

With respect to the duties and authority of a Clerk, the Municipal Elections Act further states as follows:

- 12(1) A Clerk who is responsible for conducting an election may provide for any matter or procedure that,
- (a) is not otherwise provided for in an Act or regulation; and
 - (b) in the Clerk's opinion, is necessary or desirable for conducting the election.
- 12(2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.
- 12(3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an Election Official do anything under this Act, to furnish proof that is satisfactory to the Election Official of the person's identity or qualifications, including citizenship or residency, or of any other matter.
- 13(1) Any notice or other information that this Act requires the Clerk to give shall be given in a form and manner and at a time that the Clerk considers adequate to give reasonable notice or to convey the information, as the case may be.
- 13(2) The Clerk shall provide electors, Candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(5) states that when a by-law authorizing the use of an alternative voting method is in effect, Sections 43 (advance votes) and 44 (voting proxies) apply only if the by-law so specifies. Due to the introduction of eVoting (alternative voting) – being Telephone/ Internet Voting, voting proxies are not applicable, per By-law No. 2022-041 adopted by Council for the City of Temiskaming Shores on March 1, 2022.

The Municipal Elections Act, more specifically Section 53, also provides that the Clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election being conducted in accordance with this Act and provides the authority to the Clerk to make arrangements for the proper conduct of the election. Any arrangements made by the Clerk, if they are consistent with the principles of the Municipal Elections Act, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.

Therefore, as Clerk and Returning Officer for the 2022 Municipal & School Board Elections in the City of Temiskaming Shores, I do hereby certify and approve the following procedures for conducting the 2022 Municipal & School Board Elections via alternative voting methods (internet & telephone).

- a. Where an eligible voter has attempted to validate his or her PIN and they have determined that the PIN has already been used, the voter can attend the location determined by the Clerk, bringing Satisfactory Identification and have an Election Official confirm that the PIN has been used by an impersonator.
 - b. Prior to authorizing the re-issuance of a new Voter Information Letter which contains a new PIN, the voter shall be required to respond and answer any and all questions from the Election Official. The Election Official shall document, to his or her satisfaction, questions and answers of the voter and, if deemed appropriate, the Clerk shall submit same to the Ontario Provincial Police for further investigation and prosecution.
