RE: MUNICIPAL MARINA OPERATIONS 2021

Dear Boater;

With 2020 finally behind us, we are looking forward to a more normal 2021. A very large thank you for following COVID-19 precautions throughout 2020 such that we had no incidents. We are cautiously optimistic that 2021 will have similar or even further relaxed restrictions. As with everything COVID-19 related we will tackle issues as they arise and will keep you informed along the way.

A PDF Fillable Marina Agreement and Credit Card Authorization form is available on our website (www.temiskamingshores.ca/en/resident/marinas.asp).

The municipality will be administering the mooring agreements for both the Haileybury and New Liskeard Marinas.

The Marinas are tentatively scheduled to open on May 14, 2021 with all boats being removed by October 12, 2021. The City of Temiskaming Shores reserves the right to refuse mooring in 2022 if a boat is not removed by the closing date.

MOORING / LICENCE AGREEMENT

Licence Only: In respect of the services provided for in this licence, the Owner acknowledges that they are a licensee in respect of the dockage spaces and/or the car/trailer parking spaces which may be assigned to them by the marina from time to time with a right to use those facilities, at their own risk, together with all rights to access those facilities and the boat and/or car or trailer for which they are licensed to use those facilities. This licence’s conditions and rules will be extended by the marina Owner at their discretion with revised conditions if applicable.

Use of Specific Space: This Licence does not grant or extend rights to the Owner with respect to any specific dockage space and/or car/trailer parking space throughout the term of this Licence. The marina may require the Owner to move the boat, car or trailer and/or equipment, or any of them, to another dockage space or parking space as the marina considers appropriate. The Owner agrees to move the boat in accordance with the marina’s instructions and authorizes the marina to move the boat at the Owner’s risk when unattended.

Waiver and Indemnity: The Owner agrees to pay the costs of all damage to the marina’s property and to the property of other occupants of the marina resulting directly or indirectly from the Owner’s negligence or the negligence of their agents, invitees, crew, family members or guests. Without limiting the foregoing, the Owner covenants to indemnify and save harmless the marina against any loss, cost, suits, claims (including penalties and fines) arising out of or in connection with the discharge or release of any fuel, chemicals, waste or other pollutants, or violation of any statute or regulation relating to the use, operation or ownership of the boat by the Owner, their agents, invitees, crew, family members or guests. The Owner represents and warrants that their boat is a pleasure craft registered, identified and equipped in accordance with the Canadian Shipping Laws and that it will be operated under its own power in accordance with the Safe Boating Principles in the marina area.

No Duty to Inspect or Maintain: The Owner acknowledges that the marina does not assume any duty to care for the boat, car, trailer or equipment or to prevent loss or damage thereto while the boat, car, trailer or equipment is on marina premises, except as specifically authorized in writing by the Owner. The Owner hereby releases and discharges the marina, its employees, agent and representatives from all actions, causes of action, claims and demands in relation to damage to the boat, car, trailer and any equipment or supplies brought onto the marina’s premises under the Licence, as well as for personal injury sustained by the Owner, their invitees, crew, family and

guests or any third party while on the marina premises pursuant to this Licence, unless such damage or injury is caused by the gross negligence of the marina.

No Assignment or Sublet: The Owner agrees that he will not assign this Licence or sublet the space rented herein without the written consent of the marina.

Insurance: The Owner agrees to provide the City of Temiskaming Shores with a copy of their Liability Insurance at the time of payment for the mooring slip. Submitted insurance must be current as of the date of opening. Keys will not be activated until said copy of Liability Insurance is provided. The Owner agrees that they will not do or permit to be done any act or thing which may make void or voidable any insurance upon the boat or any property or any part thereof upon the marina premises or which may cause any additional premium to be paid for any such insurance. The Owner shall indemnify the marina for the costs of any increased insurance premium required to be paid by the insurer.

Rules and Regulations: The Owner agrees to conduct themselves in compliance with all rules and regulations of the marina. The Owner shall ensure that their invitees, crew, family members and guests conduct themselves in accordance with the rules and regulations of the marina. The marina shall have the right to amend the rules and regulations as it deems appropriate and such amendments shall be effective upon being posted at the marina premises. The marina shall have the right to immediately terminate this Licence if the Owner or their invitees, crew, family members or guests fail to comply with the rules and regulations. The Owner hereby acknowledges having read and understood the rules and regulations of the marina.

Repair and Storage Liens: The marina shall have a lien against the boat, its contents, trailer and equipment pursuant to the Repair and Storage Liens Act, R.S.O. 1990 c.R.25 for all unpaid sums due under this Licence. The marina shall be entitled to retain possession of the boat, its contents, trailer and equipment, or any of them, until the Owner's account has been paid in full. The marina shall be entitled to sell or otherwise dispose of the boat, its contents, trailer and equipment in accordance with the Repair and Storage Liens Act for all amounts owing by the Owner to the Marina.

Termination: this Licence shall remain in full force and effect for the terms set out herein, unless terminated as a result of the following conditions:

- a) The destruction of the mooring facilities by fires, storm or other calamity.
- b) Any breach of this Licence, including the rules and regulations, by the Owner.

The marina shall be entitled to terminate this Licence immediately upon the occurrence of the above events. The marina shall provide the Owner with notice of such termination in writing by delivery in person or by regular mail to the address provided in this Licence. Notice by regular mail shall be effective eight (8) days after it is mailed. Upon termination, any amounts paid to the marina under this Licence shall be applied to any sums owing to the marina for service, repair, storage, dockage and haulage fees and any further amounts owing under this Licence. The balance of funds, if any, shall be returned to the owner.

No Waiver: A waiver of any one or more of the terms or conditions herein contained shall not be deemed to be a waiver of any of the other terms and conditions of this Licence other than those specifically waived and in no event shall any waiver be deemed to be a continuing waiver.

Third Party Service: The Owner further agrees that while their boat is on the marina's premises, they shall not hire or permit any person or any company, other than the marina, to perform any labour thereon or to make installation of equipment thereof, it being understood that the marina does not permit third parties to complete or conduct labour or services on its premises without its express written authorization due to insurance and occupiers' liability concerns. When the marina does not directly offer these services, permission from the marina administration must

prevent the Owner or their regular crew from doing such work on their boat, provided such work is approved in writing by the marina.
