City of Temiskaming Shores Rental Terms & Conditions for Riding Ring

For the Use of the City of Temiskaming Shores Riding Ring:

The City of Temiskaming Shores encourages the use of the parks and athletic facilities. City Staff work to maintain the facilities for your use and for the future. Please follow the Conditions of Agreement and enjoy your participation!

Alcohol Use

Alcoholic beverages are permitted at some parks and athletic fields IF prior written authorization is received from Council in accordance with the LLBO regulations and the City of Temiskaming Shores Alcohol Policy.

Behaviour & Supervision

Your co-operation and assistance in controlling unacceptable behaviours is appreciated. Permit holders are expected to provide supervision for all participants during the dates and times reserved. Participants include all athletes, coaches and other team personnel, officials, and spectators. Permit holders are responsible for providing a sufficient number of adults on site at all times during their event, to ensure participant safety and appropriate behaviour are maintained. If problems occur, future permits may be restricted, or additional City staff will be assigned to monitor the use of the facilities. Costs of additional staff will be invoiced to the permit holder.

Closure of the Facilities

During inclement weather, poor conditions or if facility damage occurs, the facilities may be closed without notice, at the discretion of the Parks and Facilities Superintendent, for the safe keeping of the participants and the facility. The decision to commence, delay or cease facility maintenance/use is at the sole discretion of the Parks Section.

Liability & Insurance

The permit holder and facility/users are put on NOTICE that there are inherent risks involved in participating in active recreational activities, and hereby waive all claims of every kind against the City of Temiskaming Shores, in respect to any injury incurred. Participants should be provided, by the user organization, with appropriate first aid equipment, kits and training to treat minor injuries.

All permit holders must obtain liability insurance related to the risks associated with recreational activities and LLBO Special Occasion Permits, when required. Where alcohol is served at a City facility, the group is to comply with the City's Municipal Alcohol Policy.

All problems should be reported to the Recreation Department at 705-672-3363. The City of Temiskaming Shores is not responsible for lost, stolen or damaged items.

Litter and Waste Control

Permit holders, their representatives, participants or members are encouraged to pick up all litter or other solid waste materials at all Parks and Athletic facilities.

Waste receptacles have been provided at all facilities and additional waste receptacles and recycling bins are available by special request.

Permit holders should assign Monitors to pick up all litter/wastes generated during their event/tournament to avoid charges for this service. Parks staff will collect and dispose of normal litter and solid waste materials on a regular and as need basis.

All garbage and animal waste must be cleaned up in and around the ring; including straw, shavings or other debris from horse/stock trailers.

Maintenance

All ruts and hollows in the ring must be levelled by dragging or raking when riders are finished using the ring

Parking Restrictions

Cars, trucks, motorcycles, or other motorized equipment (except maintenance & emergency vehicles) are permitted in designated roadways and parking lots or on-street parking where permitted and not on parklands or athletic fields, unless written approval has been granted.

Special Events

Conveners are responsible for obtaining a list of Special Events for the season from the Recreation Department and ensuring their league play does not conflict with the scheduled Special Events. Facilities are not available for use if a Special Event has been scheduled.
