By-law 2012-019, to prohibit and regulate unusual noise | Section 4.7, exemptions, snow removal

City of Temiskaming Shores Winter Operations Plan—2023-2024

Although winter weather is often random and unpredictable, city snow removal efforts are not. The city is committed to providing a high level of snow removal service throughout the winter season, with consideration to safety, environmental and budget concerns. Your cooperation in helping to keep streets clean and safe is appreciated.

Weather Monitoring Season

From October 1 to April 30.

Winter Maintenance Season

November 1, 2023 and is completed on or about April 15, 2024.

Roadway Service Standards

Road surfaces will be maintained by keeping them as bare as possible. Priority Road Routes plowing will begin once 5cm of snow has accumulated. Secondary Road Routes plowing will begin once 8cm of snow has accumulated.

Sidewalk Service Standards

Sidewalks will be maintained in a snow packed condition. Priority Sidewalk Routes maintenance will begin once 5cm of snow has accumulated. Secondary Sidewalk Routes maintenance will begin once 8cm of snow has accumulated.

Snow Removal and Disposal

As a result of snow plowing operations, snow accumulates at the side of roads as windrows or mounds. The City starts snow removal operations when these windrows reach volumes that create nuisance or hazard to pedestrians and motorists and to maintain capacity for subsequent snowfalls.

The objective is to commence removal operations in Priority 1 locations as soon as practicable after becoming aware that the snow bank accumulation is greater than 60cm and 120cm in Priority 2 location.

Temiskaming Transit

Significant Weather Event Route

Due to winter storms, Temiskaming Transit may have to switch to the Significant Weather Event Route. A Winter Event is a weather condition affecting roads such as snowfall, wind blown snow, freezing rain, front, black ice, etc. to which a winter event response is required.

- ◆ The Route Map can be located on the Temiskaming Transit Website.
- ◆ Notices will be posted, if possible, as soon as possible, on the City Facebook Page.

For issues in regards to Temiskaming Transit please contact Voyago Temiskaming Shores directly at
Phone | 705-230-2751

Environmental Services

Extreme Weather Conditions

During extreme weather conditions, snowfall, wind blown snow, freezing rain, black ice, etc., your garbage and recycling collection may be delayed; however, Phippen Waste Management does their best to ensure regular collection remain on time.

Safety Tip

- ◆ Please use extra care when using the rollout garbage and recycling bins in slippery conditions caused by snow or ice.
- ◆ Avoid placing the bins out the night before, and remove bins from the road as soon as possible to avoid obstacles for snowplows, which often operate throughout the night and early morning to clear roads.

Resident Responsibility

- ◆ Clear the bins of snow and ice to ensure the lid opens when emptied.
- ◆ Make the bin accessible and visible to the collector.

Place bins for collection at an unobstructed site.

- ◆ It may be necessary to change the regular placement of your rollout bins after a snowfall.
- ◆ The bins should be no closer than 3 feet from any obstacle, not obstructing the street (snowbanks, mailboxes, hydro poles, telephone poles, parked vehicles, etc.)
- ◆ Keep bins off the travelled portion of the roadway to eliminate interference with snowplows. Do not place bins in a location where the snowplow may hit them.
- ◆ Do not place bins behind or on-top of snowbanks.
- ◆ Phippen Waste Management will position your bin in the preferable location for pick-up. Please place your rollout bins in this location for future collections.

For Further Information please contact Phippen Waste Management | 705-647-6217

Notice to the Users of the Waterfront Pool Facility

Our pool cannot operate without our staff members. There have been several incidents of disrespectful behaviour from members of the public towards our staff members simply for enforcing basic safety policies. We take these verbal confrontations very seriously and, in a time when quality part-time and full-time staff are in high demand, we expect our pool users to be respectful and abide by the rules set out. If a user is unable to follow the rules, they will be denied entry and may lose their pool access for a period of time. Our City employees deserve respect when doing their jobs.

Pool Admission Policy

All children under 10 years old MUST be accompanied by an adult or guardian (14+) in the pool, regardless of swimming ability. This means adults or guardians must be in a swimsuit, in the pool, within arms reach of their children. This is the standard for pools across Ontario and is in place to ensure the safety of all our young swimmers.

Pool Capacity

The capacity of the pool depends on the number of lifeguards on duty. These numbers are stipulated by the Government of Ontario's Public Pools Regulation 565/90.

O-24 Swimmers

1 Lifeguard (if the slide is open: 2 Lifeguards)

25-56 Swimmers

2 Lifeguards (if the slide is open: 3 Lifeguards)

66-100 Swimmers

3 Lifeguards (if the slide is open: 4 Lifeguards)

101-129 Swimmers

4 Lifeguards (if the slide is open: 5 Lifeguards)

Cell Phone Use

We understand the desire to take pictures of your own children during public swims. However, due to issues with consent of others and the chance for nefarious behaviour, we do NOT allow cell phone use in the changerooms or on the pool deck. Please put your phone away and be present instead!
