## Council & Committee Meeting

### Committee of the Whole

Tuesday, February 4, 2025 | 3:00pm | City Hall, 325 Farr Drive, Haileybury

### Regular Council Meeting

Tuesday, February 18, 2024 | 6:00pm | City Hall, 325 Farr Drive

Regular Council Meetings are live-streamed on the City's Facebook page.

**Question and Answer** Period during Regular Council meetings is an opportunity for members of the public to submit questions pertaining to an item on the Agenda, or the business of Council. The questions received by **3:00 p.m. on the meeting day** will be read aloud during the Question-and-Answer Period. Members of the public who wish to submit questions may submit in writing or email to [questions@temiskamingshores.ca](mailto:questions@temiskamingshores.ca).

**Note** Any correspondence sent to the Mayor and Council may be included in a Council agenda/package and become part of the public record. Comments or questions submitted via the City of Temiskaming Shores Facebook page, will not be considered, and the moderator of the live-streamed meeting may remove all comments.

For further information contact Logan Belanger, Municipal Clerk:

Phone | 705-672-3363 Ext. 4116

Email | [lbelanger@temiskamingshores.ca](mailto:lbelanger@temiskamingshores.ca)

## Environmental

### Ontario Blue Box Transition - January 1, 2025

Effective January 1, 2025, the recycling program in the City of Temiskaming Shores will be managed by Circular Materials Ontario (CMO), under the requirements of the Government of Ontario Blue Box Regulation 391/21.

Learn more at: [www.circularmaterials.ca/temiskamingshores](http://www.circularmaterials.ca/temiskamingshores) or visit the city website.

### Operational Changes – Recycling Facility (547 Barr Drive)

Effective February 1, 2025, the recycling facility located at 547 Barr Drive will be closed for public use. The depot recycling bins currently located outside of this facility will be relocated to the New Liskeard Landfill (704165 Rockley Road). Any excess recyclable material may be deposited for free at this location.

The City of Temiskaming Shores has entered into an agreement with Phippen Waste Management for the lease of the recycling facility located at 547 Barr Drive from February 1, 2025, until April 30, 2025. Industrial, Commercial or Institutional (ICI) owners currently using the facility or depot bins are encouraged to reach out to Phippen Waste Management to make drop-off arrangements.

The City of Temiskaming Shores is investigating options moving forward as the requirements of the Government of Ontario Blue Box Regulation will change how the current recycling program operates. More information will be provided as it becomes available.

### Industrial, Commercial and Institutional (ICI) Curbside Recycling Collection

Within the regulation, CMO is not required to collect from any ICI establishments, however, will allow the ICI material to be mixed with residential material from January 1, 2025 until December 31, 2025.

Please visit the City's website for further information as to how this will affect your establishment should you be part of the current curbside recycling collection program. The City of Temiskaming Shores is committed to investigating options moving forward as it is recognized that the new Provincial Blue Box Regulation will have financial implications to the ICI establishments currently part of the program.

Should your organization choose to opt out of the suggested recycling collection service, please provide e-mail notification to Steve Burnett, Manager of Environmental Services at [sburnett@temiskamingshores.ca](mailto:sburnett@temiskamingshores.ca) no later than January 24, 2025.

## Recreation/Facilities

### Temiskaming Shores EVStart Charging Station

The city would like to remind the community that the city has an electrical vehicle charging station located in Haileybury. Located at 322 Browning St, Haileybury the station is open 24 hours a day.

### STATO Trail | North Cobalt to Dymond

Motorized vehicles are not permitted on the STATO Trail. Please keep all snowmobiles and ARV's off the trail. Thank you for your cooperation.

### Memorial Bench and Tree Program | January 1 to April 15

Applications for the City of Temiskaming Shores Memorial Bench and Tree Program are now being accepted. Leave a lasting memory of a loved one by having a bench installed or tree planted in their name. This is a great way to make a low-cost, lasting impact to our community. Fee includes the bench or tree, plaque, engraving, shipping, installation and applicable taxes. The cost for a memorial bench is \$2,000.00. The cost for a memorial tree is \$500.00. The application form and instructions are available on the city website.

### Temporary Closure | December 31, 2024

Pete's Dam Park | 784285 Pete's Dam Road, New Liskeard

Update | January 9, 2025

Pete's Dam Park remains closed and the public is not permitted on the property. Barricades remain in place. An announcement will be made when the park is reopened. Thank you for your cooperation.

### Open For the Season | January 9, 2025

### Wednesday-January 22

Library Board Meeting | 7:00pm-9:00pm

### Thursday-January 23

Digital Literacy Session

### Friday-January 24

Weekend Book Sale

### Saturday-January 25

Weekend Book Sale

Family Storytime | 10:30am-11:15am

### Family Storytime

We'll be meeting in the library's Programming Room. Gather your family, and come on in, get comfy and listen to a handful of picture books being read aloud. You can then spend a while choosing books to borrow on your library card from our extensive collection. Books for the whole family! We also have boardgames, puzzles, movies and more.

### Blind Date with a Children's Book

They get to borrow a wrapped book (which includes a lollipop) to take home, unwrap, read and enjoy. They then fill out the Rate Your Date form and hand it in when they return their book. There will be a random draw for a prize at the end of the program. This Blind Date With a Children's Book will run from 27 January to 18 February.

### Winter Reading Bingo 2025

Offering an activity for all ages in January and February who come to the library with their library card. You can pick up one of our Winter Reading BINGO sheets and do your best to get 5 in a row to win a little prize. Not only will you possibly win a little prize but they'll also have the opportunity to read some great books, practice and improve their reading skills and perhaps add some new authors to their list of favourites.

## Programming

### All Age Friendly Programs

Registration may be required. For more information contact:

Lynn Julien | Program Coordinator

## Fire Extinguishers

In most cases, the best thing to do in a home fire is to get everyone out of the home immediately and call the fire department from outside:

- Make sure working smoke alarms are installed on every storey of the home and outside all sleeping areas.
- Everyone in the home should practice a home fire escape plan so everyone knows what to do BEFORE a fire occurs.

Many people who decide to purchase a fire extinguisher might not know how or when to use them.

Fire extinguishers should be used only by people who have been trained to use them. People are encouraged to contact their local fire department if they would like fire extinguisher training or have any questions.

The following tips can help people who are thinking about buying a fire extinguisher for their home:

- Consider purchasing a fire extinguisher that has an ABC rating. This type can be used for most types of fires.
- Choose a fire extinguisher that has the logo of an independent, accredited product safety testing agency such as ULC.
- Follow the manufacturer's instructions regarding where the extinguisher should be placed in the home.
- Inspect the fire extinguisher once a month and have it serviced by a certified technician every year.
- Fire extinguishers should be used only on small, contained fires. Never let the fire get between you and the exit.

To operate a fire extinguisher, remember the acronym PASS:

- Pull the pin;
- Aim the nozzle at the base of the fire;
- Squeeze the trigger;
- Sweep the extinguisher from side to side until the extinguisher is empty.
- Know when to go. If the fire does not go out after using one fire extinguisher, back out of the area, close the door if possible, and safely get outside and call 9-1-1.
- Remember that many stovetop fires can be safely extinguished without the use of a fire extinguisher. If a pot on the stove starts on fire, slide a lid over the pot to smother the flames and turn off the stove. Leave the pot in place until it has cooled completely.
