Virtual Session with Neonet, Andriod products

Neonet's virtual sessions are technical support style sessions in which a Digital Coach or Navigator can help a someone identify devices that meet the needs of the user, setting up digital applications such as emails or social media accounts, general learning or troubleshooting. This session will take place on **Thursday February 15 at 11:00am**. Everyone and anyone are welcome to attend this drop-in session. No registry required.

Blind Date with a book

The Temiskaming Shores Public Library will be running a Blind Date With a Book program. We are again offering you a unique opportunity of mystery and intrigue. Take a wrapped book without knowing what's inside. Once you get it home, give the book a chance, but If things don't work out, simply return it. No hard feelings! After all, not all blind dates work out. You may find yourself, however, in love! Either way, fill out the Rate Your Date form you will have received, and you could win a prize.

Winter Reading Bingo

The Temiskaming Shores Public Library is offering an activity for all ages in January and February who come to the library with their library card. They can pick up one of our Winter Reading BINGO sheets and do their best to get 5 in a row to win a little prize. Not only will they possibly win a little prize but they'll also have the opportunity to read some great books, practice and improve their reading skills and perhaps add some new authors to their list of favourites.

Soup to Tomatoes Seniors' Exercise Group

ARE YOU AN OLDER ADULT? Are you hoping you can keep your strength and stay independent? Do you struggle with mobility, standing, regular exercise? Would you enjoy social time with others? Join us in the Programming Room of the Library for this **FREE** group chair-based exercise class for seniors.

PFC Family Pool Passes for Loan

Thanks to a generous donation from the City of Temiskaming Shores' Recreation Department, the Library now has two family pool passes for loan! The passes can be borrowed for 7 days, and allow a family (up to 5 people) free access to the pool at the Waterfront Pool and Fitness Centre. Borrowers may take the passes two times in a 12 month period. Holds can be placed on the passes to plan ahead, but there are no renewals.

Planet Youth Temiskaming Update—January 2024

Planet Youth Timiskaming is a 5-year pilot project based on the Icelandic Prevention Model, a proven approach to reduce alcohol and drug use among young people. Planet Youth empowers communities to work together to address the root causes of early substance use. The approach focuses on strengthening key protective factors like relationships with family and friends, involvement in extracurricular activities, and school engagement. Using the Planet Youth approach, our communities will gain valuable insights into the health and wellbeing of young people, implement effective local solutions, and track changes over time.

Notice to the Users of the Waterfront Pool Facility

Our pool cannot operate without our staff members. There have been several incidents of disrespectful behaviour from members of the public towards our staff members simply for enforcing basic safety policies. We take these verbal confrontations very seriously and, in a time when quality part-time and full-time staff are in high demand, we expect our pool users to be respectful and abide by the rules set out. If a user is unable to follow the rules, they will be denied entry and may lose their pool access for a period of time. Our City employees deserve respect when doing their jobs.

Pool Admission Policy

All children under 10 years old MUST be accompanied by an adult or guardian (14+) in the pool, regardless of swimming ability. This means adults or guardians must be in a swimsuit, in the pool, within arms reach of their children. This is the standard for pools across Ontario and is in place to ensure the safety of all our young swimmers.

Pool Capacity

The capacity of the pool depends on the number of lifeguards on duty. These numbers are stipulated by the Government of Ontario's Public Pools Regulation 565/90.

0-24 Swimmers

1 Lifeguard (if the slide is open: 2 Lifeguards)

25-56 Swimmers

2 Lifeguards (if the slide is open: 3 Lifeguards)

66-100 Swimmers

3 Lifeguards (if the slide is open: 4 Lifeguards)

101-129 Swimmers

4 Lifeguards (if the slide is open: 5 Lifeguards)

Cell Phone Use

We understand the desire to take pictures of your own children during public swims. However, due to issues with consent of others and the chance for nefarious behaviour, we do NOT allow cell phone use in the changerooms or on the pool deck. Please put your phone away and be present instead!

City of Temiskaming Shores Winter Operations Plan 2023-2024

Although winter weather is often random and unpredictable, city snow removal efforts are not. The city is committed to providing a high level of snow removal service throughout the winter season, with consideration to safety, environmental and budget concerns. Your cooperation in helping to keep streets clean and safe is appreciated.

Weather Monitoring Season

From October 1, 2023 to April 30, 2024.

Winter Maintenance Season

November 1, 2023 to April 15, 2024.

Roadway Service Standards

Road surfaces will be maintained by keeping them as bare as possible. Priority Road Routes plowing will begin once 5cm of snow has accumulated. Secondary Road Routes plowing will begin once 8cm of snow has accumulated.

Roadway Snow Accumulation

The objective is to maintain a minimum standard for addressing snow accumulation. Plowing begins with respect to each class of roadway in accordance with its classification and level of service standard. The depth of snow may be determined by performing an actual measurement, monitoring the weather and performing a visual estimate.

Roadway Ice Formation

The objective is to treat icy roadways with prevention methods. This is initiated when the first effects of a storm are felt in order to provide traction for traffic until the dept of snow has been reached to trigger plowing operations.

Sidewalk Service Standards

Sidewalks will be maintained in a snow packed condition. Priority Sidewalk Routes maintenance will begin once 5cm of snow has accumulated. Secondary Sidewalk Routes maintenance will begin once 8cm of snow has accumulated.

Sidewalk Snow Accumulation

The objective is to make the sidewalk as safe as possible, to be reached as soon as possible, after a storm has ended. To reduce snow to a dept less than or equal to 8 cm within 48 hours and to provide a minimum sidewalk width of 1 meter.

Sidewalk Ice Formation

The objective is to treat the icy sidewalk as soon as practicable after becoming aware that the sidewalk is icy, and is accordance with the standard. If ice forms on a sidewalk it shall be deemed in state of repair until 48 hours after it has been treated. All sidewalks that are not maintained by the municipality are considered closed for the season.

Snow Removal and Disposal

As a result of snow plowing operations, snow accumulates at the side of roads as windrows or mounds. The City starts snow removal operations when these windrows reach volumes that create nuisance or hazard to pedestrians and motorists and to maintain capacity for subsequent snowfalls.

The objective is to commence removal operations in Priority 1 locations as soon as practicable after becoming aware that the snow bank accumulation is greater than 60cm and 120cm in Priority 2 location.
