Financial Literacy Workshop – NEEDS & WANTS
This first program is focusing on NEEDS & WANTS and is geared towards children in grades 4 to 6 and will be presented by a local volunteer CPA. The workshop will be taking place in the library's programming room. Through interactive activities, children will gain a better understanding of money matters and how to get started towards a financially bright future.

Junior Reading Club
This is a group of young people between the ages of 8 and 12 who enjoy reading and like to book-talk about what they're reading without giving away any spoilers. This is a great way to enjoy spending time with like-minded peers and perhaps find some great new authors/stories to dive into. If you're interested in joining the group give the library a call.

From Soup to Tomatoes Senior Chair Exercise Class
This is a free seniors chair-based exercise class that takes place on Tuesdays and Thursdays. This is a program implemented by Northeastern Public Health and led by a local volunteer. Free Therabands are provided. For more information, contact Eleanor Katona at 705-647-8002.
