## We want to hear from YOU!

The City of Temiskaming Shores is working with CIMA+ and J.L. Richards, consultation firms, to develop a Transit Service Review for Temiskaming Transit. The Transit Service Review aims to assess the current transit system and the feasibility of future improvements and small regional expansion opportunities.

As part of the consultation process, the purpose of the Public Open House is to gather community and stakeholder feedback and answer questions on; the Transit Service Review, share thoughts on how transit can best support your community’s needs, and better serve local residents, businesses and institutions.

Public Open House participants who use the Temiskaming Transit System to attend the Open House will receive free tickets to cover the cost of their Transit Fare.

Take a few minutes to share your thoughts on how transit can best support your community’s needs, through our quick survey.

Your feedback is vital in helping us better serve local residents, businesses, and institutions. No personal info required—just your honest opinion!

Together, we can improve mobility and accessibility across our region
