Waterfront Pool and Fitness Centre

The Waterfront Pool & Fitness Centre is air conditioned with spectacular views of beautiful Lake Temiskaming. The main level offers a wide variety of strength training and toning equipment to suit your needs. The equipment is very user friendly and great for both novice and advanced users. There is a great selection of cardio equipment such as treadmills, ellipticals, bikes, rowers, and stair master. The Fitness Centre also has a large selection of free weights.

IRON ROOM

In addition to the main fitness area, we offer the Iron Room which includes a hack squat, Cybex bench press, incline press and shoulder press. There is a variety of Troy rubber hex dumb bells that range from 5lbs. to 120 lbs. There is also a squat rack, bench press and preacher curl.

CROSSFIT ROOM

The CrossFit Room provides an alternative area for stretching, exercise balls for core strengthening, ab rollers and much more.

SQUASH COURT

Squash is an excellent activity to participate in for cardiovascular endurance. Come on out for a competitive, but fun game. Racquets are available to rent from the front desk. Members are entitled to book a court 48 hours in advance by telephone or at the front desk. The names of both players must be given at the time of booking and will be verified upon checking in. We request that court cancellations are done at least two hours prior to court time. The Waterfront Pool & Fitness Centre Squash Court is located on the lower level of the facility.

POOL RULES AND GUIDELINES

Alert Staff of any medical problems, (heart condition, epilepsy, etc.).

Do not swim if suffering from a cold, flu, bacterial or viral infection, communicable disease or severe skin condition. Do not enter the pool if you currently suffer from diarrhea or have had diarrhea within the last two weeks.

Report Discharges (vomit, blood, feces) immediately to staff for cleaning. Water contamination may result in long and costly pool cleaning and shutdown.

No spitting or spouting of water or blowing of nose in the water.

Limit your stay in the sauna or whirlpool to no longer than 10 minutes at a time. Please consult a doctor if you have epilepsy, diabetes, high blood pressure, heart conditions or are pregnant prior to using sauna or whirlpool.

Clean swimming apparel is required in the pool.

Take a cleansing shower before every swim to avoid carrying dirt, bodily secretions, bacteria or residue from hygiene products into the pool.

Use washroom facilities before swimming, especially children.

Children who are not toilet trained must wear waterproof diapers.

Ensure children and/or adult diapers are properly secured and changed regularly to prevent over saturation and leakage.

Person(s) under the influence of intoxicants will not be allowed into the facility. Consumption of alcohol and/or drugs on the premises is not permitted.

The use of cellular phones, personal digital assistants, and digital cameras in the change rooms, washrooms, whirlpool and pool are prohibited.

The Waterfront Pool and Fitness Centre Aquatic Lessons, Programs and Courses

You can spot Water Smart® kids right away. They're the ones who know how to swim and behave safely around water. The Lifesaving Society's Swim for Life® program makes sure your kids are Water Smart® before they get in too deep. You're never too young to start, and never too old to learn. Swim for Life® offers different strokes for different folks – of all ages and abilities.

Age 3 months - 4 years

PARENT AND TOT

Parent and Tot Levels ages 3 months (able to hold head up) to 4 years old with a parent or caregiver. A rewarding experience for adults with infants or toddlers. These levels introduce the joys of water activity while stressing parental responsibility in, on and around the water. Class length – 30 minutes.

Prerequisite - ages 3 months (able to hold head up) to 4 years old with a parent or caregiver

Preschool A – Prerequisites: For kids 3-5 years old just starting out on their own, with little or no experience but comfortable in a class without mom or dad.

Preschool B –Participants can comfortably move and float with assistance and put their faces in the water with eyes open and exhale in a relaxed manner.

Preschool C - Participants can float on front and back in PFD without assistance; swim 3 m on front and back any way with an aid; and exhale under water 5 times without pause.

Preschool D - Participants can float and move in deep water with assistance; breathe rhythmically 10 times; flutter kick while gliding on front and back 10 m, recover objects from the bottom.

Prerequisites: For kids 3-5 years old

Age 5 - 12 years

SWIMMER PROGRAM

The Lifesaving Society's 6-level Swimmer program makes sure your children learn how to swim before they get in too deep. Swimmer progressions accommodate children 5 years and older including absolute beginners as well as swimmers who want to build on the basics. We stress lots of in-water practice to develop solid swimming strokes and skills. We incorporate Lifesaving Society Water Smart ®education in all Swimmer levels.

SWIMMER 1

These beginners will become comfortable jumping into water with and without a Personal Flotation Device. They'll learn to open their eyes, exhale and hold their breath underwater. They'll work on floats, glides and kicking through the water on their front and back.

SWIMMER 2

These advanced beginners will jump into deeper water, and learn to be comfortable falling sideways into the water wearing a Personal Flotation Device. They'll be able to support themselves at the surface without an aid, learn whip kick, swim 10-15~m on their front and back, and be introduced to flutter kick interval training (4~x~9-12m).

SWIMMER 3

These junior swimmers will dive and do in-water front somersaults. Their new bag of tricks includes handstands and completion of the Canadian Swim to Survive® Standard. They'll work on 10-15m of front crawl, back crawl and whip kick. Flutter kick interval training increases to $4 \times 25 m$.

SWIMMER 4

These intermediate swimmers will swim 5 m underwater and lengths of front, back crawl, whip kick, and breaststroke arms with breathing. They'll cap it all off with front crawl sprints over 25 m and 4 x 25 m front or back crawl interval training.

SWIMMER 5

These swimmers will master shallow dives, cannonball entries, eggbeater kicks, and in-water backward somersaults. Surface dives will take them down to underwater swims. They'll refine their front and back crawl over 50 m swims of each, and breaststroke over 15–25 m. Then they'll pick up the pace in 25 m sprints and two interval training bouts: 4 x 50 m front or back crawl; and 4 x 10–15 m breaststroke.

SWIMMER 6

These advanced swimmers will rise to the challenge of sophisticated aquatic skills including stride entries, compact jumps and lifesaving kicks like eggbeater and scissor kick. They'll develop strength and power in head-up breaststroke sprints over 25 m. They'll easily swim lengths of front crawl, back crawl and breaststroke, and they'll complain about the 300 m workout.

THE LIFESAVING SOCIETY'S 3-LEVEL CANADIAN SWIM PATROL PROGRAM

The Lifesaving Society's 3-level Canadian Swim Patrol program provides enriched training for those who want to develop swim strokes and skills while having fun in the challenging world of lifesaving. Swim Patrol develops swimming strength and efficiency with emphasis on Water Smart® behaviour. Skill drills enhance capability in the water, good physical conditioning and lifesaving judgment.

ROOKIE PATROL

Swimmers continue stroke development with 50 m swims of front crawl, back crawl and breaststroke. Lifesaving sport skills include a 25 m obstacle swim and 15 m object carry. First aid focuses on assessment of conscious victims, contacting EMS, and treatment for bleeding. Fitness improves in 350 m workouts and 100 m timed swims.

RANGER PATROL

Swimmers develop better strokes over 75 m swims of each stroke. They tackle lifesaving sport skills in a lifesaving medley, timed object support and rescue with a buoyant aid. First aid focuses on assessment of unconscious victims, treatment of victims in shock and obstructed airway procedures. Skill drills develop a strong lifesaving foundation.

STAR PATROL

Swimmers are challenged with 600 m workouts, 300 m timed swims and a 25 m object carry. Strokes are refined over 100 m swims. First aid focuses on treatment of bone or joint injuries and respiratory emergencies including asthma and allergic reactions. Lifesaving skills include defence methods, victim removals and rolling over and supporting a victim face up in shallow water.

CITY OF TEMISKAMING SHORES WATERFRONT POOL & FITNESS CENTRE AQUATIC LEADERSHIP COURSES

WHY A JOB IN AQUATICS?

Make a difference and potentially save a life by teaching swimming.

The best people skills are acquired when you interact daily with adults, children, seniors and special populations.

Keep your cool in any emergency because you will receive the best training and will practice with your co-workers to ensure you are ready for anything.

This job will prepare you for many careers: nursing, paramedic, doctor, teacher, recreation leadership, youth worker, etc.

A good reference can help you get to where you want to go and good job performance here is always something we like to brag about.

WHAT TO BRING TO A COURSE?

You will need to bring the original certification of the prerequisites required for each course. Be sure to consult individual course descriptions for prerequisites required.

Course materials and schedules are outlined in the course descriptions.

Course required manuals may be purchased at the front desk.

Bathing suit(s) and towel(s) will be needed for the water portions of courses.

Other items you may be required to bring include: comfortable clothing, a whistle, notebook/paper, pens, lunch/dinner, snacks and money.

HOW TO BECOME A LIFEGUARD AND SWIM INSTRUCTOR

1

BRONZE MEDALLION WITH EMERGENCY FIRST AID & CPR-B:

Bronze Medallion teaches an understanding of the lifesaving principles embodied in the four components of water-rescue education, judgement, knowledge, skill and fitness. Rescuers learn tows and carries, defence methods and releases in preparation for challenging rescues of increased risk involving conscious and unconscious victims of various types. Lifesavers develop stroke efficiency and endurance in a 500 m timed swim. Bronze Medallion is recognized as the waterfront supervisory certification for Ontario's Recreational Camp Regulation 568.

Prerequisite: Minimum 13 years of age

BRONZE CROSS WITH STANDARD FIRST AID, CPR-C & AED

Bronze Cross is designed for lifesavers who want the challenge of more advanced training including an introduction to safe supervision in aquatic facilities. Bronze Cross is a prerequisite for all advanced training programs including National Lifeguard and Instructor certification. Includes a timed 600 m swim. Bronze Cross is recognized as an assistant lifeguard certificate in Ontario Regulation 565 governing public swimming pools.

Prerequisite: Bronze Medallion and Emergency First Aid certifications (need not be current)

Only recognized certifying agencies accepted by the Lifesaving society are: Lifesaving Society, Canadian Red Cross, St. John Ambulance or Canadian Ski Patrol

(as outlined in the Ontario Public Pool Regulation 565/90)

NATIONAL LIFEGUARD CERTIFICATION

National Lifeguard certification is the industry standard for professional lifeguards in Canada. National Lifeguards are water rescue professionals trained in emergency care. They prevent accidents. They are trained to spot potential trouble and intervene before it becomes life-threatening. They identify hazards and determine safe practices. They educate the public about the hazards and risks associated with aquatic activities and how to be Water Smart®. Lifeguarding is an exciting and rewarding job that carries great responsibility. Guards take courses and train hard for events they hope will never happen and which they work hard to prevent. National Lifeguards guards are always in training to keep their skills, knowledge and fitness sharp. They are required to keep other important certifications such as CPR and first aid up-to-date. National Lifeguard is Canada's only nationally recognized lifeguard certification program. National Lifeguard is a legal certificate for lifeguarding throughout the country. It is the only lifeguard certificate recognized by the province of Ontario for lifeguarding public swimming pools.

Prerequisites: Minimum 15 years of age, Bronze Cross, and Lifesaving Society Standard First Aid (need not be current) or Standard First Aid from one of the approved agencies.

100% attendance is required

ALL REGISTRATION IS ON THE CITY OF TEMISKAMING SHORES WEBSITE. www.temiskamingshores.ca

Community Parks and Trails

The City of Temiskaming Shores has a wide variety of parks of all shapes, sizes and locations.

Most residents within the urban cores live within a ten-minute walk from a park with amenities. Larger play structures and amenities are located on the New Liskeard and Haileybury waterfronts where great views of Lake Temiskaming combine amazing recreation amenities for all ages. Many of our playgrounds have been recently updated with CSA approved equipment and soft rubber surfacing. Get out today and see just what Temiskaming Shores has to offer!

TEMISKAMING SHORES ROTARY SPLASH PAD

The Temiskaming Shores and Area Rotary Club partnered with the City of Temiskaming Shores in 2017 to develop a splash pad within the community. A site on the New Liskeard Waterfront next to the Spurline Building was selected as the preferred location for the project. This area is already a popular summer recreation spot and will only serve to supplement the amenities already available. After three years of fundraising, construction on the project is slated to begin in 2021.

Thanks to our many funders who have helped to make this project a reality. Stay tuned to our social media channels for more exciting information as construction begins.

BUCKE PARK

Bucke Park is a short and long-term campground located at the southern boundary of the City of Temiskaming Shores – only a ten-minute drive from Haileybury! It offers forty-six sites that service seasonal and transient campers, both RVs and tents. A northern gem with these great services:

- Potable Water
- · 30 Amp Electrical Service,
- Washrooms
- FREE Hot Showers
- Sand Beach
- Kids Playground
- Great Shore Fishing
- Boat Launch and Docking Slips
- · Winter RV Storage
- Entry to the Devil's Rock Trail System

The campground is open from the long weekend in May to October Thanksgiving Weekend.

DEVIL'S ROCK (MANI-DOO AJA-BIKONG) TRAIL

The Devil's Rock Trail system is an easy 2 km hike from Highway 567 or a very scenic 3 km climb from Bucke Park. Trails lead to the breathtaking view of Lake Temiskaming!

After hiking the safe and scenic route, enjoy the 180-degree vista of Lake Temiskaming from atop the towering cliff. Devil's Rock is a fault cliff dated to 2.2 billion years. It has a face of 600 feet rising 300 feet above the water level. Interesting features are the scars of mining tunnels chiseled during the silver rush era. Please use caution while on the trail and at the vista. Devil's Rock Trail is an 11 minute drive from downtown Haileybury.

PETE'S DAM

PETE'S DAM

In the spring of 1906, Kalil (Big Pete) Farah embarked upon a project to build a steam powered plant that would supply the Town of New Liskeard. Big Pete bought the power site at Chester Falls from Tom Chester and a dam was built above these falls on the south branch of the Wabi River. In 1910, Farah sold Pete's Dam and its assets to the Northern Ontario Light and Power Company. New Liskeard then received its power from the line that linked them to Cobalt, its neighbour to the south. The power plant went out of service in the 1920's and was sold to the Hydro Electric Power Commission of Ontario. In 1981, Dymond Township bought the property and it is now known as Pete's Dam Park. The little electric plant no longer exists but the beauty of the waterfall and rapids

draws many locals and visitors for picnicking and hiking. The park boasts an easy 2.4 km hike along the river with many amazing views. A picnic shelter and parking lot are available at the trailhead off Pete's Dam Road. Pete's Dam Park is located within the City of Temiskaming Shores approximately an 8 minute drive from downtown New Liskeard.

NASTAWGAN TRAILS

Nastawgan Trails Inc.

In 2004, The South Temiskaming Active Travel Organization (STATO) was formed as a result of community members' interest in promotion and development of an active transportation route through the City of Temiskaming Shores, highlighting the waterfront.

In 2008, they began the construction of 20 kilometers of paved bike path, complete with bollards, rumble strips, lines and stamping. They continue to work towards the vision of linking the trail to schools, fitness facilities, and different parts of town to make it more accessible.

To date, almost 21.4 km completed has been and the surfaced trail is accessible to all residents and visitors, is wheelchair accessible and provides opportunities recreational to people of all walks of life. Residents of and visitors to Temiskaming Shores can enjoy the benefits of walking, strolling, cycling, jogging, roller blading and other non-motorized activities throughout the City on a safe route.

Through the Bicycle Friendly Committee, STATO continues to increase awareness and promote physical activity for a healthy community, as well as economic growth and recreation development.

Three beach volleyball courts are maintained within Algonquin Regiment Memorial Beach Park in New Liskeard. Nets are placed to allow for free use throughout the summer months.

BEACHES

The City of Temiskaming Shores has two municipal beaches on beautiful Lake Temiskaming. The Haileybury Beach located in downtown Haileybury is a completely enclosed, sand beach, with treated water, large waterslide, changerooms and is staffed by lifeguards throughout the season. The beach is typically open from mid-June to the end of August and this one-of-a-kind place is a great spot to cool off during the hot summer months.

Located in New Liskeard is a 0.5 km stretch of sandy beach along Lake Temiskaming's north-west shore. This unsupervised beach is perfect to stop by for a quick dip before enjoying the many amenities located nearby.

The City of Temiskaming boasts a 225' x 115' sand riding ring right next to downtown New Liskeard. Home of the New Liskeard Fall Fair, this facility is available to the public for use throughout the summer months. A no-cost permit from the City of Temiskaming Shores is required to use the riding ring. Ring usage must be booked through the City.

Ring users must provide the City of Temiskaming Shores with a copy of their current year's liability insurance. A signed waiver of liability is also required and can be obtained by contacting the email below. Waivers are also available at www.newliskeardfallfair.ca

CARTER ANTILA MEMORIAL SKATEPARK

In July of 2011, a young man by the name of Carter Antila lost his life in a tragic accident. He had an infectious smile (with a glint of mischief for good measure) and cultivated good friends wherever he went. From a young age Carter had been an avid skater. He was a true ambassador of the sport - demonstrating that skateboarding is as much about creative athleticism and fun as it is about individuality, confidence and respect. At the age of twelve he made a presentation to the New Liskeard Recreation Committee requesting that the municipality consider building a permanent park. Unfortunately, at that time, his request could not be fulfilled. He did not let this deter him from pursuing the sports and lifestyle he loved - enjoying his time to the fullest, working hard at what he loved, and never taking life too seriously. Following his accident, Carter's family created a Memorial Fund in his honor

with the express purpose of building a permanent Skate/BMX Park in the City of Temiskaming Shores. The City, along with the Antila family and a group of independent volunteers, worked with a wide network of community members to fundraise for the park and guide the construction to completion. This state-of-the-art park located at the New Liskeard Algonquin Regiment Beach Park officially opened June 21, 2014.

NEW LISKEARD GOLF CLUB

Established in 1967, the New Liskeard Golf Club is one of the premier public golf courses in Northern Ontario. Located in the

heart of the Claybelt in beautiful Temiskaming Shores, it is the only 18-hole golf facility for a span of 370 kilometers (between North Bay and Timmins). With its challenging golf, breathtaking views and affordable rates, New Liskeard Golf Club is a must for all visitors and non-visitors to the area.

The par 72 layout guarantees for an enjoyable round regardless of your caliber. The multiple tee options allow you to play the course shorter or longer to minimize or maximize the challenge according to your preference. With some of the largest greens that you will ever see, it offers an unforgettable uniqueness. It is equipped with a licenced clubhouse, a viewing deck, a wellstocked Pro Shop and a practice facility second to none. The entire staff is dedicated to exceeding your expectations. They have earned a reputation of being an all-around, first class golf club. If you are looking for club-fitting, custom assembly, and/ or a wide variety of golf equipment, visit the golf club manager and staff in the Pro Shop and they will be more than willing to assist you.

HAILEYBURY GOLF CLUB

The Haileybury Golf Club celebrates 100 years of golf in 2021. Overlooking beautiful Lake Temiskaming, it is the most picturesque

9-hole facility in Northern Ontario. A perfect recreational activity made for social distancing, the club opens mid-May and closes mid-October. A junior golf program introduces children as young as 6 years of age to the game with weekly clinics in July and August. Thursday nights are Men's Nights and every second Tuesday is Ladies' Night. The club hosts a couple of tournaments each month through the season, many benefiting local charitable organizations. Memberships are available, as are 5-round 9-hole playing passes. The Golf Shop can provide you with your playing needs or with organizing your golf event. The clubhouse offers year-round small venue capacities of 125 for your special celebrations. Licenced under the AGCO.

TRI-TOWN SKI & SNOWBOARD VILLAGE

As a staple in the community for over 60 years, the Tri-Town Ski and Snowboard Village is a not-for-profit community run organization that offers fun outdoor winter activities for the whole family. There are two

ski lifts (T-bar and handle tow) to help skiers and snowboarders of all abilities explore more than 15 runs on our 320' vertical hill. With three levels of trail difficulty, you don't need to be an expert to enjoy the outdoors!

They offer snow tubing and have a new magic carpet conveyor to bring tubers to the top of this newly expanded area. There is an extensive network of snowshoe trails to explore the beautiful winter scenery.

Rental equipment is available including skis, snowboards, helmets and snowshoes. Certified ski and snowboard instructors offer both group and private lessons. The brand-new chalet offers hot lunch and snacks at the canteen and a beautiful view of the slopes. A free bus heads to and from the hill every weekend with pickups in New Liskeard, Haileybury and Cobalt.

The Tri-Town Ski and Snowboard Village is open from 10-4 Saturdays and Sundays as well as PD Days, Family Day and March Break. They look forward to welcoming you and your family during the winter!

TEMISKAMING NORDIC SKI CLUB

Temiskaming Nordic is the place to ski and has earned a reputation for delivering one of the finest cross-country skiing experiences within Ontario. There are many reasons to ski at Temiskaming

Nordic: awesome trails through beautiful forested landscape, early and late season skiing, great people, a welcoming chalet, youth programs, racing and social events. They offer 20 km of well-marked, groomed and track-set skate and classic ski trails, including some snowshoe trails. The three beautiful trails offer varying levels of difficulty and length, making them enjoyable for beginner, intermediate and advanced level skiers. The combination of rolling esker terrain, unique trail system design and first-rate grooming makes the Temiskaming Nordic skiing experience one to remember and one to be repeated!

Centrally located in Ontario and easily accessible in often less than a few hours of driving from major centers.

Eight to Eighty Community

The City of Temiskaming Shores strives to be an Eight to Eighty Community. By providing exemplary opportunities for people who are eight and eighty years old we can be an outstanding community for those of all ages.

AGE FRIENDLY COMMUNITY

Thanks to generous funding through the Government of Ontario, the City of Temiskaming Shores created an Age Friendly Community Plan which was adopted by Mayor and Council in September of 2016.

The development of the plan included consultation with service providers of the older adult population and the general older adult population. Close to 2,000 individuals provided input into the plan. Short, medium, and long-term goals that represent communication and information, outdoor spaces and public buildings, housing, social participation, transportation, community support and health services, respect and social inclusion, volunteering, civic participation and employment were identified.

VISION:

"To promote an inclusive, accessible, safe and respectful community; that enables independence, health and wellness and full participation at all stages of ageing while celebrating diversity".

PROGRAMS

Age Friendly Coffee Hour, Age Friendly Bowling, Age Friendly Line Dancing, Age Friendly Pickleball

CONTACT:

If you would like more information or would like to discuss the movement to make Temiskaming Shores more age friendly please do not hesitate to contact Lynn Marcella, Age Friendly Coordinator, at any time.

TEMISKAMING NORTHERN LOONS

The club was founded by coach Bruce Cull in 1991 with 7 swimmers. Over the years, membership has fluctuated to as high as 34 swimmers. Showing a love of the water, some swimmers have joined as young as 6 years. They teach them to be comfortable and confident in the water. Through drills and technical instruction, we teach our swimmers the four basic strokes: free style, back stroke, breast stroke and butterfly. We teach them competitive dive entries, turns, and how to breathe appropriately for the most efficient movement through the water. We are a competitive swim club that has trained our athletes to regional, provincial and national competitive levels for thirty years. Some of our swimmers have been able to join university teams that give them superb travel and training opportunities.

The swim season starts in early September and runs through until May or June for most of the team. If swimmers have advanced to the national level, training will continue for them into July and August. Younger swimmers train with senior swimmer/coaches working under the direction of head coach Bruce Cull. The emphasis at this level is on developing stroke competency, some stamina and basic competitive skills. They practice three afternoons a week and are eligible to compete in Top Fish, a regional age group competition usually held in Timmins and Kirkland Lake. Some may go on to regional competitions in Sudbury and Sault Ste. Marie. When these junior swimmers are more physically mature and ready to train at a more demanding level,

they move up to the senior group where they train full time with head coach Bruce Cull. Depending on the age and experience of the swimmer, they may go to two or three regional meets or as many as one every 5 or 6 weeks between October and August. We train our swimmers from the beginner to the Olympic level and as they rise in abilities, the number of competitions in which they must participate increases.

If you are looking for a wonderful healthy activity that builds a sense of teamwork and close bonds with other participants, TNL may be the choice for you. For more information, visit our Facebook page, contact our executive or just stop by the pool to watch a practice and speak with Coach Cull.
